

Please fill out the Discover Scuba Diving form for you or your child that will be attending.

Answer the medical questions by writing the word “**Yes**” or “**No**” beside each question. ***Please write the complete word, a “Y” or “N” is not acceptable!*** Do not leave any blanks on the form. If you or your child does have a “**Yes**” answer to any of the questions, you will need to get a note from their/your doctor saying they can participate. **If you or your child does have a “Yes”, you MUST get a note from the doctor before the day of the Discover Scuba or they will NOT be allowed to participate.**

On the form there are a few places to print your/your child’s name and where it says “signature” or “participant signature” the person that is participating needs to sign, even if they are a child.

If you have any questions about this form please don’t hesitate to call Adventure Dive & Travel. 217-529-6090 - We wouldn’t want you or your child to miss out on the fun!

Thank You,

The Dive Staff of Adventure Dive & Travel
