

Discover Scuba Participant (or parent),

Please fill out the Discover Scuba Diving form before you arrive at Adventure Dive & Travel. This saves time and gets you in the pool faster!

Answer the medical questions by writing the word “**Yes**” or “**No**” beside each question. ***Please write the complete word, a “Y” or “N” is not acceptable!*** If you do have a “**Yes**” answer to any of the questions, you will need to get a note from your doctor saying you can participate. **If you do have a “Yes,” you MUST get a note from the doctor before the day of the Discover Scuba or you will NOT be allowed to participate. There are NO exceptions to this rule!**

On the form there are a few places to print you (or your child’s name) and where it says “signature” or “participant signature” you (or you and your child) will need to sign and date the form.

Also please take a moment to review the guidelines and policies of this Adventure Dive & Travel program...
